'Your ON THE WATER specialists'

NEWSLETTER – October 2008

Rising Fuel costs are going to impact on us all and ensuring your boats engine is properly tuned becomes more important. Book now!

Of course Mercury Offer, in the form of their Optimax, one of the most fuel efficient outboards on the market at present, so if considering upgrading then they are well worth a look. There is a special on at the moment so view that on the Mercury Website.

The 175 Opti on the Demonstrator Hardtop is averaging 12 litres per hr!!

### Economic Climate

*Thank you to those who pay their accounts on time. We really appreciate it and it allows us to keep our costs down.*

*We intend to publish a list of debtors on this newsletter from now on.*

*We will also require slower paying account holders to supply their credit card details. We are not a bank!! Have you seen their fees lately!!*

On a positive note: we have 3 large builds we are starting over the next few weeks... so if you were thinking a new boat for next summer was on the agenda- book early as it will be half past November before we know it.

**Keel Shield-** This is a great new product that Wanaka Marine sells. A similar product sells for \$560- Our product is only \$500!!! **So protect your bottom now!!**

**Salt Rid-** even though you flush your engine after being in the sea, salt does stay in the block. We now offer Salt Rid... I've seen the damage to an engine where the owner thought he was flushing properly... so cant emphasise enough the importance of this product!!  
**Usually \$99.95- we offer it for \$79.95**

**Are you aware that Mercury offer a 5 year warranty on their products now... Worth the change eh???**

**Coastguard Courses: Coming up is a Dayskippers Course- contact us now.**

Having been working through my Coastal Skippers Cert we will soon be offer training up to that level!!

Enjoy Spring..

Ian and Lynette

**Check our ammunition prices- best around!!**  
**Ridgeline Clothing- we have discounts on discounts!!!**  
**Polaris Bikes and new fishing gear...**

**And don't forget the Tallon Offer- two fittings for free (ie \$112 for nothing!) with a service!!**  
**Along with the free WOF fee!!**
